2. Treating Medical Providers, which includes any physician, podiatrist, chiropractor or psychologist who is providing treatment and care to an injured worker pursuant to the Workers' Compensation Law, **must** treat injuries pursuant to the relevant Medical Treatment Guidelines. The Medical Treatment Guidelines are posted on the Board's website. For additional information, please call 1-800-781-2362.

3. The Medical Treatment Guidelines are the standard of care for injured workers. Additional information about the Medical Treatment Guidelines, including e-learning training, is available on the Board's website.

4. This form must be signed by the treating medical provider and must contain her/his authorization certificate number and code letters. If the patient is hospitalized, it may be signed by a licensed doctor to whom the treatment of the case has been assigned as a member of the attending staff of the hospital. The signature can be the original or a stamp or an electronic signature as long as the medical provider has the intent to sign the completed form. The provider must review and approve each completed form. Also, someone else cannot sign the medical provider's name.

5. Please ask the patient for his/her WCB case number, if available, and the carrier's case number and show these numbers on this form. In addition, ask the patient if he/she has retained a representative. If patient is represented, ask for the name and address of the representative.
